Dear Sir:

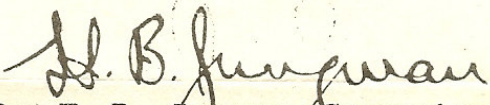

With this letter we are returning your proof of war-time service in the armed forces of the United States.

A permanent record of your credentials has been made, and is on file in this office.

In the event that you apply for examinations to be given in the future by the State Civil Service Commission, it will not be necessary to resubmit your credentials. Reference to the file number shown above will be sufficient. This letter may also be used for proof of service.

Sincerely yours,

State Civil Service Commission
