

In 2005 our Jesse Hall reunion notice indicated that "In 1066 the Fitzwilliams family left Normandy for England, and changed their name to Hall." In all of my time gathering family information, I never knew this tidbit. Nor did I ever hear my mother mention it, so I'm not sure where this came from.

However, if there's anything to it, it looks like we need a lot more research. Here's some Fitzwilliam info I found on the net . . . start at the bottom . . .
